Our Purpose

The 1st Thomas Fette Golf Outing was held in 2006. The event was, and still is, organized by Thomas's friends and family to celebrate his life and provide a venue for golfers and non-golfers to gather and enjoy themselves. It was also formed with the intent to raise money for the Thomas Fette Scholarship Fund, which awards monetary scholarships each year to graduating seniors from Middletown High School North.

Now in it's 14th year of existence, this golf outing has been a way for those of us who knew Tom to stay in touch with each other and for others who never had a chance to know him to contribute to a worthy cause and have a great time doing so. This golf outing caters to players of all levels and is meant to be a fun experience above all else.

Through generous donations from participants and local sponsors, we've been fortunate enough to be able to hold this event each summer and with your continued support we plan on doing so for many years to come!

With appreciation,

Thomas Fette Golf Committee
